If you are parking or unloading a trailer, please be ready to enter the grounds at 11:00 am Friday. **Building and/or booth access may not be available for late arrivals.** Please clear the area as soon as possible- it makes the Fire Department real happy when we keep the fire lanes open.

Unattended vehicles left in the fire lanes, blocking doorways or causing congestion may be considered abandoned and sold for parts if not towed away!

Remember-if your booth space is not occupied by 10:00am Saturday, we will consider you a no-show and may resell the space.

Vehicles left inside buildings must have ¼ tank or less of fuel, batteries disconnected and locking or taped gas caps. Please contact a member of the show staff if you need assistance.

**Move-out:** Please do not bring vehicles into buildings before 3:00pm, Saturday, 1:00pm, Sunday. OK to hand load. For safety reasons, for sale vehicles must have show staff approval before exiting.
